### Christ the King

The Solemnity of Christ the King confronts us with that temptation toward worldly strength and power and glory. For that very reason, we can and must celebrate it, to nourish our hope and resistance

With the exception of the last three days, the entire month of November falls during the liturgical season known as **Tempus per Annum** or **Ordinary Time** (formerly **Time After Pentecost**), which is represented by the liturgical colour green. Green is a symbol of hope as it is the colour of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection. The liturgical colour green is worn during the praying of Offices and celebration of Masses of Ordinary Time. The last portion of the liturgical year represents the time of our pilgrimage to heaven during which we hope for reward.

The last Sunday, which marks the beginning of **Advent**, the liturgical colour changes to purple, representing a time of penance.

During November, as in all of Ordinary Time (time After Pentecost), the Liturgy signifies and expresses the regenerated life from the coming of the Holy Spirit, which is to be spent on the model of Christ's Life and under the direction of His Spirit.

As we come to the end of the Church year we are asked to consider the end times, our owe as well as the world's. The culmination of the liturgical year is the Solemnity of Our Lord Jesus Christ, King of the Universe. "This feast asserts the supreme authority of Christ over human beings and their institutions...Beyond it we see Advent dawning with its perspective of the Lord's coming in glory."
