World Grandparents Day—Sunday, July 25th

Pope Francis announced the establishment of a World Day of Grandparents and the Elderly in January 2021. The chosen day for the yearly celebration is the fourth Sunday of July, since it coincides with the feast of Sts. Joachim and Anne, Jesus' grandparents.

Pope Francis reminds us that their voice is precious because it sings the praises of God and safeguards the roots of people. Also, they remind us that old age is a gift and that grandparents are the link between generations, passing on the experiences of life and faith to the young.

MARRIAGE TIP OF THE MONTH

Marriages that have lasted over many years give gifts to future generations since it allows them to both look back and grow forward. Long- lasting marriages are a living example of what it means to have enduring love; they give hope. Marriage is at the heart of family, so celebrate your marriage milestones – tell stories of the good times, the times you persevered and the joy of older love. These are important legacies to leave your children and grandchildren!

PARENTING TIP OF THE MONTH

June is a good time to help your children reflect on the successes and challenges of the past school year. God provides every person with gifts to use in the world and it is good to remind your children that we are called to use our God-given gifts. Ask them to reflect on the gifts they see in themselves and share the gifts you see in them. Help them realize that they are indeed special and have good things to offer to others in their lives.

Marriage Support - Is your marriage experiencing more trouble than joy, feeling stagnant or disconnected and/or causing you worries? **The solution is Retrouvaille** - a program for married couples facing difficult challenges in their relationship. Retrouvaille has one purpose: to help couples restore their marriage and rebuild a loving partnership. This is a practical program, where sharing is not required except between the couple themselves, designed to improve communication, build stronger marriages, and help couples reconnect. It also works well for couples who may be considering separation or divorce. Retrouvaille is offering their weekends by zoom offering more possibilities for engagement.
